

**Our four pricing plans; at a glance**

**SOMETHING FOR EVERYONE**

Can't make up your mind? Let us know which plans you're choosing between and we can weigh in on what's best. Here are all four plans, side by side.

\*If you'd like to understand why there are different fee structures for non-fiction books and fiction books, [please watch this explainer video](#). \*Note that prices have risen since video was filmed in 2024, but all other information is accurate.
